KENTUCKY CRAFTED: THE MARKET 2006

George Ward

Since 1982, Kentucky Crafted: The Market, is the nation's first, and remains one of the very few, state-sponsored premiere events to showcase many of the state's most talented artisans.

The Market is produced by the Kentucky Craft Marketing Program, a division of the Kentucky Arts Council, a state agency in the Commerce Cabinet, and is a collaborative effort assisted by the Department of Agriculture and the Folklife Program,

an inter-agency program of the Kentucky Historical Society and the Kentucky Arts Council.

The Kentucky Craft Marketing Program exemplifies an increasing trend of collaboration between state government agencies, education, and private industry. For the second year, higher education and private industry are contributing their expertise and participation for this state sponsored market, further enhancing this important economical and cultural event. This year's Silver Sponsor, Osram Sylvania Inc., is partnering with University of Kentucky's Interior College of Design students in creating a special display called The Osram Designer Showcase!

Kentucky recognizes the value of talented artists and craftspeople in our communities and offers supportive state programs to keep them here. We are known both nationally and internationally for our high-quality crafts, visual art, food, books, and music that reflect the Commonwealth's unique flavor, culture and traditions. Our state's craft industry is serious business and contributes \$252 million in overall annual sales. As part of the \$14 billion national craft industry, Kentucky's programs are modeled by numerous other states and countries.

As Kentucky's Commerce Cabinet Secretary I am truly thankful we have so many gifted artisans across the commonwealth and look forward to Kentucky Crafted: The Market 2006.

Sincerely,
George Ward
Commerce Cabinet Secretary

Kentucky Crafted: The Market is produced by the Kentucky Craft Marketing Program, a division of the Kentucky Arts Council in the Commerce Cabinet. Since 1981, the Craft Marketing Program's mission is to develop the state's craft industry, support and empower Kentucky artisans and craftspeople, create an economically viable environment for craft entrepreneurs, preserve the state's craft traditions, stimulate and support product development, and generate public awareness, public support and public/private partnerships.

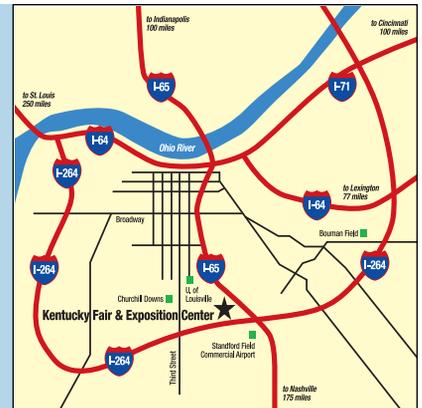

The Kentucky Arts Council, a state agency in the Commerce Cabinet, is funded with state tax dollars and federal funding from the National Endowment for the Arts, which believes that a great nation deserves great art.

Hands-On Children's Educational Activities

The Children's area will be located in the South Wing B on aisle 100.

Be inspired by the folk art of Minnie Adkins' community of artists along Highway 23, such as Bonita Skaggs-Parsons, and create a unique sculpture of your own from "found" art supplies. Activities are sponsored by the **Kentucky Historical Society**.

The Kentucky Museum of Art and Craft will offer polymer clay bead making sessions for children ages 5-10. Participants will learn the "marbleizing" technique using colored Sculpey III polymer clay to create a unique and colorful bead and/or centerpiece for a necklace that they can make, adding additional embellishments. Classes are limited in size, those interested in this particular event will need to sign up in the children's area. This area is partially sponsored by the Craft Marketing Program.

The Little Loomhouse will also be at the Market this year, continuing to share the life's work of Lou Tate, teaching the joys of hand weaving to all ages.
